## WOMEN'S SIZING

All measurements are in inches (or centimeters) and correspond to actual body measurements, not to the garment dimensions. Questions? Please call our Customer Service Department at 800-644-7303.

## HOW TO MEASURE

**Bust:** Measure under the arms and around the fullest part of your bust.

**Natural Waist:** Measure around the smallest part (the crease where you bend sideways).

**Hip:** Standing with your feet together, measure around the fullest part of your hip.

**Sleeve Length:** Measure from the center of the back of your neck, across your shoulder, and down the outside of your arm to just past the wrist bone.

**Inseam:** Select a pant you like the length of. Start at the crotch seam and measure to the bottom (round to the nearest 1/2 inch).
